

SAFETY RECALL

Leisure Ways® pink butterfly themed children's camp chairs, moon chairs, and swings

Sold: January - April 2016

The screen-printing on the fabric of the chairs and swings contains excessive levels of lead, which is a violation of the federal lead paint standard.

A tracking label is sewn into the seat of each chair and printed on it is the date, "Tracking # November/2015," and the words, "Distributed by: Far East Brokers and Consultants, Inc."

Consumers should immediately take the recalled chairs and swings away from children and return them to the place of purchase for a full refund.
